## **HOLD THE DATE!**

### ***Citizens Rally in Annapolis to Oppose Potomac Fracked Gas Pipeline Pipeline Would Threaten Drinking Water for Millions***

- Who:** Brent Walls – Upper Potomac Riverkeeper  
You and concerned residents of MD, DC, WV and VA!
- What:** Rally at Lawyer's Mall and then March to Governor Hogan's Mansion, where we will join hands and encircle his home, to make sure he hears our voices!
- Where:** Meet at Lawyer's Mall, 100 State Circle, Annapolis MD 21401
- When:** Thursday, February 15th at 6pm
- Why:** Maryland has until March 15, 2018 to issue a decision about TransCanada's application to build a pipeline under the Potomac River. That's less than two months away, yet the Maryland Department of the Environment (MDE) is giving no signs that they are conducting a full review of the proposed pipeline's impact on our water quality according to the Clean Water Act. So, we are bringing our fight to Annapolis to tell Governor Hogan to DO HIS JOB and protect Marylanders, and our regional neighbors, from the harmful effects this pipeline would have on America's River, the Potomac, and the drinking water for millions.

Join us the evening of February 15 with concerned citizens of Maryland, Washington, DC, West Virginia and Virginia as we raise our voices in a rally on Lawyer's Mall (in front of the State House), and then march to encircle the Governor's Mansion!

Will you join us in telling Gov. Hogan to keep his "fracking" promise?

#### **About Potomac Riverkeeper Network**

Potomac Riverkeeper Network is a registered 501(c)3 non-profit organization with three regional Waterkeeper branches: Potomac Riverkeeper, Upper Potomac Riverkeeper and Shenandoah Riverkeeper. Our mission is to protect the public's right to clean water in our rivers and streams. We stop pollution to promote safe drinking water, protect healthy habitats, and enhance public use and enjoyment.
